

ORAL FLUID AND URINE DRUG TESTING

Over the past year, MD Labs has witnessed many changes in payer medical policy regarding Oral Fluids and Urine Drug Testing. The charts below outline which level HCPCS Codes are payable by the payer. When ordering Oral Fluid and Urine Drug Testing please keep in mind the payer's coding policies, and only order what is medically reasonable and necessary for the patient's treatment.

Medicare Coding & Reimbursement

2019 CMS HCPCS Code	Code Description	2021 Medicare Allowable
80307	Presumptive drug test - any number of drug classes, any number of devices or procedures by instrumented chemistry analyzers, includes sample validation when performed, per date of service	\$62.14
